International Conclave on Generative AI and the Future of Education
30th Sept–1st Oct, 2023 | Thiruvananthapuram

Empowering your career journey: Competition
on Crafting Competent resumes and cover letters with ChatGPT

📅 **25th Sept, 2023**   🕐 **07:30–08:30 PM**   **Register Now**

Steps

- Register and join a session with our mentor for an enlightening session on creating resume and cover letter content using ChatGPT.
- Sign up for the competition focused on crafting a competent resume and cover letter.
- In the online competition, you will receive a job description (JD) suitable for all levels of engineering graduates.
- Create a job application by aligning your resume and cover letter to address the Hiring Manager's needs, and then submit your entry.
- The top two candidates, as judged from the HR's perspective, will be awarded prizes.
- Only participants who have attended the mentoring session are allowed to participate in the competition.

Mentoring Session

📅 **22th Sept, 2023**   🕐 **07:00–08:00 PM**
